YUMA EAGLES 398

July / August, 2018

Yuma 398 Brother & Sisters:

First off let me start by saying hello and welcoming everyone to the beginning of a new year, along with new officers in place. I am honored to be chosen as the Aerie Worthy President, let alone the first female in our clubs history to hold this office. This year my plan is to promote several family based activities and functions for our members and future members and to get us back on track to the true meaning of our club.

In order to successfully succeed in this goal we need the participation of membership, new and existing, to help fully execute these plans. We will need full participation in not only our regular events such as Saturday meat draws, Friday dinners and Steak Fry Thursdays, but fundraising activities also. Membership support is vital to make them successful; and consider this an open invitation to our planned activities. Visit the Club, website, facebook to see any news of activities or otherwise, that has been added along the way.

I encourage you to bring up any ideas and input for fundraising, either during regular scheduled meetings, or our joint officers monthly meetings. These ideas are very important to the club, your voice and ideas are always welcome.

As you can see we are including the beginning of our Summer cash draw tickets

with this newsletter in hopes of raising money as has been done in the past. Check the calendar for dates of drawings during a scheduled Friday dinner. You do not have to be present to win, but it is great being called on and recognized as a WINNER. Working together, hand in hand, with the help of our Auxiliary and new officers, I plan on making this year a very successful year!!

Respectfully,
Rebecca R. Herrera,
Aerie Worthy President

STEAK FRY CONCERNS:

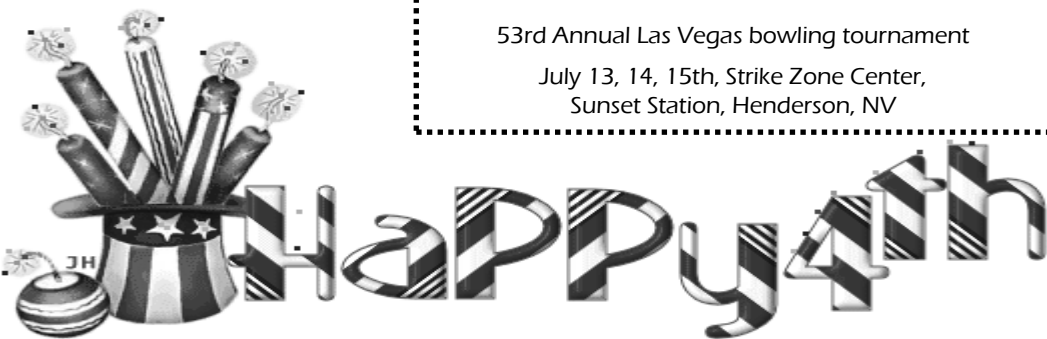

Due to the rising cost of meat we are sad to announce we **may** be increasing the cost by \$2.00 for a total of \$12.00. We are open to suggestions or options as to how we can keep providing this great meal at the current price, however, local stores and meat markets are not being very accommodating.

With that said, hopefully you will continue to support the steak fry or offer to donate whatever is needed or lend a hand. Joey Martinez, (928-503-2993) is currently heading the committee and would greatly appreciate assistance in any way possible.

Found this in a card and thought it was worth sharing: Legends say that hummingbirds float free of time, carrying our hopes for love, joy and celebration. The hummingbird's delicate grace reminds us that life is rich, beauty is everywhere, every personal connection has meaning and that laughter is life's sweetest creation.
